Important Roseville Waste Program Improvements

PLEASE READ CAREFULLY

Roseville Residents will begin mandatory use of 96-gallon refuse containers starting May 1, 2015

96-GALLON REFUSE CONTAINERS ARE BLACK WITH HINGED LIDS AND WHEELS

Roseville, MI – In an effort to keep our city neat and clean residents should have already received Black 96-gallon refuse carts as part of the city's refuse hauling contract with Rizzo Environmental Services.

96-gallon refuse containers have been delivered to single family homes in Roseville beginning last fall. Up until May 1, 2015, residents have been allowed to use the new containers as well as place refuse at the curb in plastic bags or trash

cans as in the past. Beginning May 1, 2015, it will become mandatory to use the new 96-gallon refuse containers.

Recycling can be placed in either 18-gallon tubs or in the new 64-gallon Red recycling container. Please continue to place yard waste and bulky waste out where you currently place them. Please see reverse to see how carts should be set out for collection.

Frequently Asked Questions

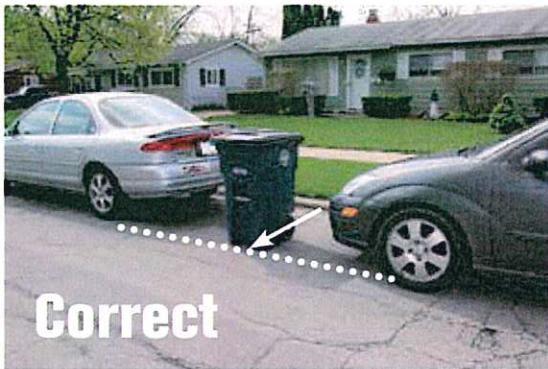

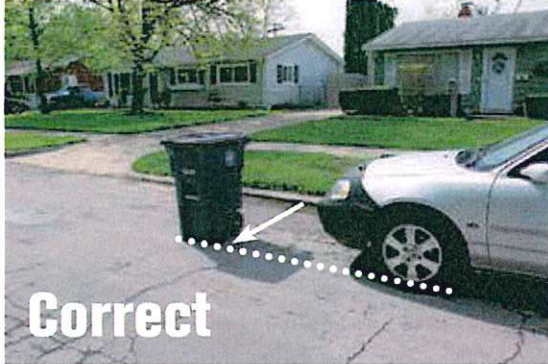

- What can I put in the new trash cart? **Regular household garbage.**
- Should I place garbage in plastic bags before filling the refuse cart? **Yes to eliminate odors, spills and rodents.**
- If my cart is full what do I do with the additional garbage bags? **For the occasional bag or two, please place alongside your cart, however a second cart will have to be purchased if you consistently cannot fit all garbage bags in your one cart.**
- How can I purchase a second refuse cart? **Call Rizzo Services at 866.772.8900. Cost per cart is \$75.00.**
- Can I put yard waste into our refuse cart? **No, yard waste will continue to be collected separately.**
- Can I put "Bulky Waste" into my refuse cart? **No, bulk waste will continued to be collected separately.**
- Are smaller containers available? **A limited number of smaller 64-gallon carts are available only to those with a medically documented condition that would prevent use of the large cart.**
- Can I put my address on our refuse cart? **Yes, carts are coded to the individual address and remain with the home/property.**
- How Early can I put my refuse cart out for collection? **No earlier than 6pm the day before your pick-up day but before 7 am of your collection day. All containers must be removed by no later than 12 noon the day following your collection.**
- Where should I place my refuse cart for collection? **Place your trash cart in the street, close to the curb and next to your drive approach. Please see reverse to see how carts should be set out for collection. If you live along a major thoroughfare where no parking is allowed in the street such as Common Road, 12 Mile Road, Little Mack, etc. Please DO NOT PLACE YOUR CONTAINER IN THE STREET.**
- What should I do if my refuse cart is stolen? **The first cart is free for each home and is coded to that property address. If a police report is provided the cart will be replaced at no charge.**
- What should I do with my old trash containers? **You could use them for additional yard waste containers or for storage. If you want them to be picked up as trash, please put a sign on them saying 'Garbage-please take can.'**

Guidelines for Cart Placement

YES

Place your container as shown below. The automated truck's robotic arm must be able to reach out to the canister and not touch a vehicle.

NO

Please DO NOT place your container behind any obstructions, such as cars, trees, posts, or in hard to reach areas - and never block a driveway.

THANK YOU!

For making your trash cart accessible for the Rizzo Automated Collector Trucks
